Reasons for allowance

1. This communication is in response to applicant's 01/08/2008 amendment in the application of Allison et al. for the "Methods and systems for Mobile Application Part (MAP) screening in transit networks" filed 04/14/2004. The proposed amendment and response has been entered and made of record. Applicant's argument and remark with regard to the rejection under 35 USC 103 are persuasive. Claims 1-4, 8, 10, 13, 14, 24, 27-30, 34-38 have been amended. The claims have been amended to better point out and more distinctly claim subject matter comprising the invention.

2. Claims 1-40 are allowable as evident by Applicant's amendment.

3. The following is an examiner's statement of reasons for allowance: The closest prior art of record fails to disclose or suggest a method for screening mobile application part (MAP) messages, the method comprising: in a transit network: (a) receiving, from a first network, a first signaling message containing MAP protocol information and signaling connection control part (SCCP) information; (b) extracting a first called party address from the SCCP information; (c) determining whether the first called party address matches first SCCP screening criteria for a first destination network that is a different network from the transit network; (d) in response to determining that the first called party address matches the first SCCP screening criteria, extracting a MAP opcode from the MAP protocol information and determining whether the MAP opcode indicates a targeted message type for the first destination network; and (e) in

response to determining that the MAP opcode indicates a targeted message type, performing a screening action specified by a screening rule for the first destination network, as specifically recited in the claims.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
